INSTRUCTIONS

STEP 1:

Use the patriot die to die cut all of the pieces for the truck. Use finger sponge daubers and ink to color the pieces. Use silver card stock for the handle, bumper, light, and grill.

STEP 2:

Assemble the truck using liquid glue. Die cut all of the leaves, blossoms, and strawberries using the sweet celebration die. Color them using the same technique as the truck.

STEP 3:

Hot foil the frame, die cut the scallops, and stamp the plaid pattern onto the die cut rectangle piece.

STEP 4:

Add the different elements to an A2 white card base using foam squares.

STEP 5:

Add the truck, stamp and die cut the sentiment and then arrange the flowers, strawberries, and leaves. Add glitter.
